Professional: Problem Solving, Communication, Leadership, Time Management, Team Player, Critical Thinking, Incident Command, Adaptability, Emotional Intelligence

PROFESSIONAL EXPERIENCE

Project Executive

Jul 2026 – Aug 2026

AKEA Marketing LLP — Valanchery, Malappuram

- Coordinate solar energy project execution from client onboarding through installation, ensuring timelines, quality, and safety standards are met.
- Liaise with clients, site teams, and vendors to track project progress, resolve on-site issues, and report status updates.
- Follow up on loan amounts and conduct regular bank visits on behalf of clients, coordinating with banks to support smooth processing of project financing.
- Handle KSEB-related paperwork including feasibility approvals, name correction, and ownership changes, along with stamp paper documentation, while maintaining a strong working relationship with KSEB.

Document Controller

Feb 2026 – Jun 2026

Waynex Businessman Services LLC — Abu Dhabi, UAE (Remote)

- Manage and organize company documentation across insurance, flight ticketing, labour contract, and visa/ID procedures, ensuring accuracy, version control, and compliance with internal standards.
- Conduct day-to-day follow-ups with clients to collect and verify required documents for successful completion of insurance, flight ticket, labour contract, and visa/ID processes.
- Process and settle payments for labour contract, visa, and ID procedures, as well as company and individual client insurance policies, ensuring accurate and timely financial closure.
- Support social media management, partially creating social media posts to promote company services.

Document Controller

Apr 2025 – Jan 2026

Alif Typing & Travels — Abu Dhabi, UAE (Remote)

- Processed and maintained travel, typing, and administrative documents, ensuring accuracy and timely turnaround for clients.
- Coordinated with clients and internal staff to resolve documentation queries and discrepancies.
- Handled day-to-day administrative support including data entry, filing, and record-keeping for client transactions.
- Handled payments for labour contract, visa, and ID processing, along with company and individual client insurance policies, ensuring accuracy and timely completion.

Cyber Security Analyst Intern

Jan 2025 (1 month)

TATA Forage — Remote

- Completed a virtual internship analyzing simulated security incidents and identifying potential vulnerabilities in networked systems.
- Proposed mitigation strategies and documented findings following industry-standard SOC practices.

Cyber Security & Ethical Hacking Intern

Nov 2024 – Dec 2024

Vault Of Codes — Remote

- Performed vulnerability assessments and penetration testing on sample networks and applications using tools such as Nmap.
- Documented findings and recommended remediation steps to strengthen system security.

Head Office Administrator

May 2024 – Jun 2024

Image Mobiles & Computers — Perinthalmanna, Kerala

- Served as Head Office Administrator, coordinating with shop teams under Image Mobiles & Computers to manage operations, arrange meetings, and follow up on sales performance.
- Collected and addressed customer feedback to improve service quality and strengthen relationships across affiliated shops.
- Handle day-to-day office administration tasks, including collecting and recording daily sales reports from each shop manager and driving laptop sales across outlets.
- Conduct routine follow-ups with shop-level IT sales teams, schedule and manage meetings with shop managers, and oversee Excel-based reporting and staff data records.

PROJECTS

SnapShoppy

Built a platform bridging customers with nearby local shops, improving shopping convenience and connection between buyers and sellers.
